

## Depot Renovation Fund Donors

The Board of Directors of the Claremont Museum of Art is exceptionally grateful to the following Depot Challenge Grant funders and Challenge Match donors for their commitment and generosity to the Phase I renovation of the Claremont Depot. Your belief in and enthusiastic support of our shared vision of repurposing this iconic building into a small museum has made it possible for us to complete this first essential portion of the project in record time. Please join us in celebrating this milestone and stay engaged and involved as we move forward. Thank you all!
